

TOWN OF ROLLINSFORD

Rollinsford NH 03869

To:
Address:

Date: 04/25/2026

To:
Voter ID:

If you are currently domiciled and maintain your primary residence at:

You are required to re-register as a voter **before you can vote again**, and we encourage you to register prior to an upcoming election. If you have moved, you need to register with your new address in the town/city where you currently live.

New Hampshire law requires verification of the qualifications of any voter who has not voted in any election within the previous 5 years. Our records indicate that you have not voted in any election in the past 5 years. The law requires that you re-register. If you do not verify that your domicile is at the address listed above by re-registering, the law requires your removal from the checklist.

RSA 654:39 requires the Supervisors of the Checklist to verify the checklist of registered voters annually. We must complete this verification by Aug 31, 2026.

You may re-register to vote by appearing in person at ROLLINSFORD Clerk's office during regular office hours. You may also re-register by appearing in person before a supervisor of the checklist at the polling place on Election Day or at one of the Supervisor of the Checklist meetings currently scheduled for:

Location	Date	Start Time
----------	------	------------

When re-registering to vote you will be required to complete a new voter registration form. You must provide proof of identity and the address of your domicile/primary residence. For a voter who possesses a New Hampshire driver's license or non-driver ID which lists his/her residence address, that document is the ideal form of proof. For more information see "Registering to Vote in New Hampshire (September 30, 2025)." This guide is available at: <https://www.sos.nh.gov/elections/register-vote> by selecting "Registering to Vote in New Hampshire" and from your clerk. A list of documents that prove domicile starts on page 1 and continues to page 3. The document explains domicile starting on page 6.

No response is required if the person named in this letter has permanently moved out-of-town or has passed away. If Supervisors receive no response, they will remove the voter from the checklist. If you believe that you have received this notice in error, or you have any questions, please contact ROLLINSFORD Clerk's Office:
